Genuine Materials Only

BARNOLDSWICK AND EARBY NOTES AND PERSONAL

and therefore become a charge on the whole community.

There is a great deal to be said for this argument, of course. The nursing service is of benefit to the town as a whole and not merely to one section, and similar arguments are applied in this case as in support of the nationalisation of the voluntary hospitals. Without entering into any discussion

sering protein at an unhappy rate.

Stery of the Week
The following sounds and dialogue
were overheard in a Barnoldswick street
during the black-out one night recently,
the characters, in order of apparance,
being a Male Voice and a Femile Voice.

Thud.
